VOLUME XXI—NO. 289. CHARLEROI, WASHINGTON COUNTY, PENNSYLVANIA FRIDAY, MAY 13, 1921. CENTS.

CHAMBER OF COMMERCE TO HOLD A PUBLIC FORUM

Thursday Evening, May 19, is Date Fixed for This Important Event

TO DISCUSS IMPORTANT EVENTS

The Charleroi Chamber of Commerce will hold a Forum meeting on Thursday, May 19th, in the Municipal Building, at eight P.M. All the members of the Chamber will be invited, and also about eighty-five farmers living in the surrounding country. The subject for discussion will be the "Curb Market" or "A Short-Cut from Producer to Consumer". The principal speaker will be J. M. McKee, county agricultural agent of Washington County. Joseph Haube, chairman of the Farmers' Committee, and Theo. J. Allen of the same committee, together with two women representing the consumers will appear on the program. Prof. I. T. Daniel, of the High School, will conduct community singing.

The Borough Council, by ordinance No. 239, passed May 7th, 1912, granted permission for a curb market to be held on sixth street, between Fallowfield and the Pennsylvania Railroad from 4:00 A.M. to 1:00 P.M., on Tuesday and Saturday of each week. This ordinance was passed at the time Mr. Geo. W. Risbeck was burgess.

It is the opinion of the Farmers' Committee that this curb market was a good thing at the time it was in existence and that what we need today is to revive it again, and to bring the producer and consumer together, and that this will offer one of the best outlets for the marketing of small produce, and that it will bring the city and country together and produce a spirit of cooperation.

The farmers who are invited to this Forum meeting are those who will be most likely to bring produce to the Curb Market. This municipal market would probably open about the middle of June.

ROSCOE COUPLE WERE MARRIED THIS MORNING

This morning at 11 o'clock, Louis H. Hess, and Ellen M. Abbott, both of Roscoe, were united in marriage by the Rev. John R. Burson, in the study of the Washington Avenue Presbyterian Church. Mr. Hess is the son of Mrs. Mena Hess, of Roscoe, and is a locomotive fireman on the Lake Erie railroad. The bride is the daughter of Edward Abbott, of Roscoe, and is well known in Charleroi, having for two years been bookkeeper in the Charleroi offices of the West Penn Electric company. Following the ceremony the young couple left for a short wedding tour, after which they will be at home to their friends in Roscoe.

CLASS OF '21 IN CHARGE OF EXERCISES

The Class of '21 was in charge of the chapel exercises at the high school, this morning. At the conclusion of the devotional exercises, E. Aubrey Daniel, president of the class, assumed charge, and his fellow students presented a program which was both humorous and laugh-producing. The occasion was a very pleasant one, and fittingly marked the last appearance at chapel exercises of the Class of '21.

DELIGHTFUL PLAY BY GOTHIC LITERARY CLUB

The Gothic Literary Club delighted their friends with a splendid presentation of "Rebecca's Triumph," at the High school auditorium on Thursday evening. The house was well filled with an expectant audience when the curtain rose at 8:15 o'clock, and there was no disappointment on the part of those who witnessed the play. Every character, from the lead to the minor parts, was well handled, and the interpretations called forth many commendations on the part of the audience. The play opens with a scene in Mrs. Dimity's kitchen, in whose home Rebecca, a foundling, has found a haven of refuge. It is while the members of the girl's club are compounding a cake, fashioned after a recipe called "Rebecca's Triumph," that the action begins, and which finally results in the restoration of the foundling to a wealthy home, where she rightfully belongs.

In the various scenes Elva Majors represents Mrs. Rokeman, a wealthy lady; Adah McCague as Mrs. Dimity, a widow; Felicie Bosson as Rebecca, a foundling; Sadie Hersch as Clarissa Codman, a spinster; Charlotta Conner, as Kate Conner, an Irish girl; Margaret McDermott as "Gyp", a colored girl, and Grace Fiedler as Meg, a vagrant. The girls' club was represented by Mary Welch, Irene Chester, Mary Provins, Edna Weight, Mabel Wilson, Etta Richards, Esther Reilley, Mabel Hewelett and Helen Sharpnack.

MID-WEEK HALF HOLIDAY A SUCCESS

The success of the movement for the Wednesday afternoon closing of grocery stores and meat markets, which was inaugurated in Charleroi on Wednesday last, was so pronounced that all of those participating are highly pleased with the venture. The half holiday gave managers, proprietors and employes alike an afternoon to themselves, which they were permitted to use in the manner best suited to their tastes and inclinations.

It was pointed out by one of the managers that working all week, and quite late on Saturday night, gave but little time to any one connected with these ventures for a little recreation. Sunday is the only day available to them, and generally speaking they are so tired from the excessive work of Saturday that they require the entire day to get back to normal condition.

With a half-holiday at mid-week, however, they are enabled to take recreation if they so desire; or if they have some odd jobs about their various homes to do, they can get at them without being required to use Sunday for this purpose. All of those who observed the half-holiday on Wednesday are hoping that the venture will not be jeopardized by those who failed to observe the day during the week, but that they will join in with the large majority in the community to make the undertaking unanimous. It is believed that some of those who were open Wednesday last will reconsider their determination, and during the coming week will unite with those who are promoting this splendid plan to give proprietors and employes alike a little breathing time and a brief respite from the cares of business.

FAYETTE COUNTY LICENSES REFUSED

NEW WAGE SCALE IN COKE REGIONS

A new wage scale, to become effective on Monday, May 16, was announced by the H. C. Frick Coke company on Thursday. The action is in line with the recent decision of the United States Steele Corporation, to effect a revision of wages in subsidiary companies. The wage cut affects 25,000 men in the Connellsville region, and brings wages back to where they were in November, 1917.

The importance of the reduction is expected to be shown in an early stimulation of the coal and coke trade. The Frick company, the production of which is about 50 per cent of the region, has been operating at 15 per cent of normal in coke production and about 45 per cent in coal production. Coal buyers, and particularly large ones, have been waiting for a readjustment in wages before making contracts and the reduction just announced is expected to stabilize conditions, although some predict a still further reduction.

Under the new scale outside laborers will receive $3.30 instead of $5.40 as at present; track layers $5.55 instead of $7.55; assistant track layers $4.75 instead of $6.75; mine laborers, $4.55 instead of $6.55; pick miners, $2.65 instead of $3.24, fire bosses, $7 instead of $8.80; coal loaders will be paid $1.65 instead of $2.10 for 100 bushels, and hand drawers $1.51 instead of $2.60 for 100 bushels.

HIGH SCHOOL EXHIBIT AFTERNOON AND EVENING

Today, at two o'clock, the annual high school exhibit will be opened to the general public. A splendid collection of the work of the different departments will be on display, affording a most satisfactory means for any one to learn, at first hand, what is being done in the institution on the hill. A most cordial invitation is herewith extended to the people of this town and the adjoining community to visit the high school gymnasium this afternoon, or this evening. The display will be accessible from 2 to 5 o'clock, this afternoon, and from 7 to 10, this evening. Music will be furnished by the high school orchestra, in charge of Miss Edith Jenkins.

EDDIE PINCHOT WINS AT WHEELING BENEFIT

Eddie Pinchot, who took part in a benefit boxing contest at Wheeling last night, won over Earney Hahn, of Wheeling. The contest was for the benefit of the Ohio Valley General Hospital, and at least 600 women were present. Pinchot shaded his opponent by a large margin in most of the rounds, while Hahn about managed to hold his own in the fifth and sixth.

ELLIOTT IS HELD FOR GRAND JURY

An inquest conducted by Dr. F. H. Baum, Coroner of Fayette county, at the office of Deputy Coroner A. W. Kisinger in Brownsville on Thursday afternoon, to inquire into the death of Florence Eleanor Foster, the 5-year-old girl who was run down and killed by a motor vehicle operated by Thos. Elliott in South Brownsville, on Sunday, May 8, after hearing the testimony, returned the following verdict:

That Florence E. Foster, aged 5 years, of South Brownsville, came to her death by having been run down and killed by a motor car, the driver of which was Thomas Elliott, of South Brownsville, and that from the evidence given, that Elliott was driving in a reckless manner while under the influence of liquor; and that we recommend that he be held for the action of the grand jury.

Elliott is now out on $10,000 cash bail which he furnished early in the week. Whether there will be any charge in this phase of the situation will depend on the district attorney. Both sides of the case were represented by counsel at the hearing.

Notice to Citizens

As there are always more or less sharpers following in the wake of shows and circus exhibitions, citizens of the community are requested not to leave their homes unoccupied on Saturday, nor to carry an excessive amount of money on their person while on the streets. By observing these suggestions they may save themselves a great deal of trouble and loss. C. W. Albright, chief of police.

Large Attendance at Park to Witness Action in the Squared Circle

EXHIBITION WAS WELL ATTENDED

Charleroi fistic followers were given a run for their money last night and the boxing show for the benefit of the Irish fund was a huge success.

The shower which came up at seven o'clock delayed starting until 8:45. After two very interesting four round bouts between Arthur LeClair and Freddie Demarco, and Young Lee and Cuddy Demarco, Steve Carter got into action with Chick Branch, and it only took the Charleroi slugger four minutes and three quarters to finish the McKeesport lad. After Branch had been floored he was almost knocked out and the referee awarded Carter the contest.

Cocky Dilla of Castle Shannon appeared against Young Carmen, but split his finger in the first round and had to retire.

Patsy Brannigan started out well against Bricky Ryan, of Ellsworth, but was no match for the local lad. He managed to stay the six rounds, but Ryan was all around him and the sound of the final gong was sweet music to Brannigan.

The best contest of the evening was between Joe Larue, of Charleroi, and Willie Scott of Wilkinsburg. Larue as usual was the winner. In the second round he sent Scott to the mat for the count. Again in the fifth Scott took the limit, and he was loudly applauded when, after it was thought that he was out, he again resumed the battle. In the sixth he again was sent to the mat and tried to resume but was stopped by the referee. This contest was one of the best ever seen in this vicinity and all in all the fans were all well satisfied with the show. The attendance was large, and the financial returns are expected to swell the Irish relief fund to a considerable extent.

SEVERELY SHOCKED BY HIGH VOLTAGE LINE

John Jnuzzi, an employe at the power plant of the West Penn Company, was given a severe electrical shock at 10:30 o'clock this morning when he came in contact with a high voltage line on the second floor of the building at Sixth street and Fallowfield avenue. Dr. Barth was called, and found that Ynuzzi had superficial burns on both forearms, and that his heart was highly stimulated by the shock. He was given soothing remedies and directed to remain quiet for a time, the physician saying no ill effects would follow the experience.

JURYWOMEN AND ATTORNEYS

There is said to be much excitement in Orange, N. J., and talk of declaring a mistrial, because, after a jury of women had given a verdict for the defendant, it was learned that counsel for the defense had taken one of the jurywomen out to luncheon. The said jurywoman indignantly declares that the case was not even mentioned during a perfectly innocent social hour, but as to this there is skepticism in Orange and the friends of the lost case are reported to be convinced in Oragne and the friends of the lost that the fate of the lawsuit was decided in a restaurant. Members of the bar, while gallantly declining to comment on the acceptance of the luncheon invitation, are quoted as saying that such conduct on the part of a lawyer is highly unprofessional.

If the expenses of a case are to be extended to include restaurant bills, the law will acquire new terrors, in the opinion of the New York Times, which comments further: "And, if the precedent is permitted to stand, it is hard tosee how any diligent lawyer can refrain from buying an occasional luncheon for a member of the jury. No doubt there will in time be professional or semi-professional jurywomen, as there are jurymen. Some of them, no doubt will be young and personable. For them their career will be lucrative, for in addition to the ordinary remuneration of jury duty they will get most of their meals free. No one need waste any sympathy on the lawyers whose duty compels them to buy dinners for pretty jury girls in the early twenties, with the unhappy client paying the bill." It may well be added that, unless membership is restricted to the elderly or jersonally unattractive, juries of women are likely to bring some rather perplexing problem into the courts.

The records for the "farmer States" show that agriculturists are among the leading supporters of the automobile industry. While the country at large has only one automobile to every ten persons. South Dakota has a car to every 5.2 persons and Iowa a car to every 5.5 persons.

Mr. Harding graciously stood up to be photographed with Professor Einstein but honestly admitted that he did not understand the relativity theory.

Jane as a "fashionable" name for girls is now having a vogue in England such as it perhaps has not enjoyed since Jane Grey lost her head.

BIG SAND DIGGER HAS BEEN LAUNCHED

An all steel dummy sand digger, its operating parts to be driven by electricity—the only one of its kind in the United States—was launched on Wednesday from the marine ways of the John Eichleay, Jr., company, at Hays, on the Monongahela river, a short distance below Homestead. The launching of the craft was witnessed by a large assembly of people, the sponsor being Miss Betty Davison, daughter of one of the owners. The boat will cost $250,000 when completed.

The boat is 164 feet long, 46 feet wide and seven feet, six inches depth of hold. It will have two decks and will be fitted with machinery, all of which will be driven by electricity, capable of digging 7,000 tons of sand and 11,000 tons of gravel each 12 hours. It represents a type of sand digging boat of the most advanced type, and shows what advancement is necessary in this business in order to keep abreast of the requirements of the building trade.

CONDUCT OF AUTOS AT FIRES REGULATED

Among the bills passed by the recent legislature and made law by the signature of Governor Sproul, was one which will especially appeal to every member of the fire departments the state over. This long-needed law provides that automobiles will be prohibited from speeding to fires and from parking their machines within 1,000 feet of any fire, or to drive over a line of hose, by the provisions of the Pike bill, approved by the Governor.

The bill also requires motor vehicle drivers hearing an approaching fire apparatus to stop their automobiles immediately at the right hand side of the street or road. Fines of $25 are provided for violation.

Hereafter, when the fire alarm sounds, the firemen will not only have right of way, but automobiles of the curious sightseers will no longer be a menace to life and limb enroute.

EXPORT DEMAND IS INCREASING

With an increased export demand—feelers indicating that Scandinavian countries, and Italy, Spain and South America—may seek American coal in the near future, and buying on the part of the railroads, there are prospects of a runaway market in the fall and winter. A not inconsiderable movement is on foot to break the buying strike now in effect in order to prevent a coal famine with the advent of cold weather.

Considerable interest has resulted in the region from reports that W. J. Rainey, Inc., has landed a 5,000,00 ton coke export order, presumably for South America. While confirmation is lacking, information from Pittsburg is to the effect that Rainey took the order the Hillman interests, runned-up in the competitive bidding for the contract.

Governer William C. Sproul has signed the Congressional and Legislative apportionment bills, and they are now laws of the commonwealth. Washington and Greene counties form the new Twenty-fifth Congressional districts, with two representatives from each district.

You are going to buy a car, no doubt, but thinking of the operating expense after buying. Figure for yourself 20 miles or more to a gallon of gas and 12,500 miles to a set of 4 tires, then you will say Franklin.

Thirty seconds after you touch the corn with this liquid corn remover the aching, shooting pain of it stops for all time.

Simple As A, B, C.

No corn, hard or soft, is too old or too deeply rooted to resist "Gets-It." Immediately it dries and shrivels, the edges loosen from the true flesh and soon you can peel it right off with your fingers as painlessly as you trim your nails.

Don't coddle corn pests. Don't nurse and pamper them. Don't cut and trim them. REMOVE them with "GETS-IT." Costs a trifle at any drug store. Mfd. by E. Lawrence & Co., Chicago.

Sold in Charleroi and recommended as the world's best corn remedy by J. John, Carrolls Drug Store and ... pers Pharmacy.

FINDS CHARLEROI A GOOD MARKET

E. M. Cluin, director of sales for the Great Eastern Fish Distributing company, who has been in Charleroi since Wednesday morning, disposing of a car of fish, said this morning that the consignment, consisting of about 20,000 pounds, had been practically disposed of.

Mr. Cluin said the primary object of coming here was to ascertain if Charleroi and vicinity was a good fish market, and incidentally dispose of the car of fish. Mr. Cluin said the experiment has been highly satisfactory, and that his company would return in about a month with a car load of 30,000 pounds of fish, which would be disposed of in this section of the valley, making Charleroi the distributing point.

"AN OLD FASHIONED BOY" AT THE COYLE

Admirers of Charles Ray, the ever popular Paramount star in Thomas H. Ince productions, will be pleased to learn that his latest photoplay, "An Old Fashioned Boy," will be shown at the Coyle theatre for two days, beginning Monday next. The story presents Mr. Ray in a typical role, that of a bashful country boy whose love story is turbulent but enjoyable. He is supported by a splendid company, headed by Ethel Shannon, a charming debutante in picturedom. She appears to excellent advantage as the foil of the star. The three kiddies in the picture provide plenty of amusement for all the kiddies who see them.

PRICEDALE SHOOTING ENDS IN MURDER

Louis Gutis, a Greek, aged 25 years, died in the Memorial hospital at Monongahela, as the result of a gunshot wound inflicted by Tom Taylor, another Greek, in a fight at Pricedale last Friday night. Gutis and another man were in a fight at the time, when it is alleged that Taylor drew his gun and fired, the bullet striking Gutis. Taylor made his escape, but was picked up early Saturday morning by the Monessen police, who placed him in the lockup to await the result of the wound inflicted on Gutis. A charge of murder will now be lodged against Taylor.

TRAIN CREWS ARE BEING REDUCED

Steps are now being taken by the various railroad companies in the state for reducing train crews, and preliminary inquiries have been made of the public service commission as to the proceedure in complaints. Since the full crew law was repealed railroads can reduce crews and the commission has authority when complaint is made.

CHARLEROI JUNIORS DEFEAT UNION A. C. JRS.

The Charleroi Juniors shut out the Union A. C. Juniors by a score of 7 to 0. The all-round playing of the Charleroi Juniors was a feature of the game. The pitching of Slaboda was too much for the Unions, as he allowed them only two hits and one walk in the entire game. The Charleroi Juniors would like to hear from any 14 to 16-year old team in the valley.
